

## **Long Island Growers Market Requirements for Non-Farmers**

Potential vendors must provide a list of what they plan on selling at the markets that will need to be approved by the Long Island Growers Market.

### **Requirements**

- 1) Vendors can only sell what they bake or make.
- 2) Vendors must have either a home processors license or commercial license.
- 3) Each item must be labeled with all ingredients and wrapped or covered.
- 4) Vendors must have one million dollars of both produce and liability insurance as well as additional insurance for each market they do.
- 5) The Long Island Growers Market will need to see invoices from every vendors business to prove that they make their items for sale.
- 6) All vendors must have 35 pounds of weight on each leg as well as straps to tie to the next vendor.
  - a. Any vendor without weights or straps will be in violation of our bylaws and will be told to take down their tent or leave the market.
  - b. Vendors who are repeatedly late or not having weights more than three times will be removed from the market for the rest of the season.
- 7) There will be no refunds, except for medical reasons which must be documented.
- 8) All vendors must pay in full for the current before they can attend a market.
- 9) Any returning vendors must submit a completed application including payment no later than March 31<sup>st</sup> to reserve their spot. If returning vendors do not comply, they can be replaced.

### **Additional Information**

If vendors are found to have products other than those which they are permitted to produce within their home processors license or products that have not been listed on their crop plan, then this will result in suspension from the Long Island Growers Market.

All other vendors who have commercial licenses are allowed to produce all products within these regulations. The same suspension applies if these vendors are found to be in violation of these regulations.
